BRIEF ABSTRACT OF LETTER

Requests sanction to the proposal of the Chalakere Municipal Board to continue the system of levying fees on "Sunde" days in the Municipality for a further period of three years as a tentative measure.

NOTES AND ORDERS

Submitted for orders. The levy of the market fees has been found to be one of the most productive items of revenue. The Municipal Board have already spent a large sum of money in affording convenience to the traders

who assemble on Sunday days and proposes to spend more on that account. The financial condition of the Municipality also does not permit of this source of income being given up. The following are the figures for the next year 1912-1913:—

Opening balance	=	3555
Probable receipts	=	4110
Total	=	7665
Probable expenditure	=	5174
Closing balance	=	2491

Thus, the expenditure exceeds the income in these circumstances, there seems to be ample justification for the Municipality retaining the system of levying market fees.

2 The right to collect the fees during 1912-1913 has already been sold by auction for Rs 2300/- & the Contractor has to be put in possession from 1st July 1912. Hence, the Dy. Comr requests early orders. If the Govt approve of the Municipal Board's proposal, sanction may, it is respectfully submitted, be conveyed to the Dy. Comr & the formal order issued in the usual course.

S I R,

Adverting to Government Order No.3345/Ml.499-08-2 dated the 9th May 1909 sanctioning tentatively for a further period of three years, the levy of fees on laden carts etc that collect at the weekly market (sante) days in the Challakere municipality, and directing that the result of the arrangement should be reported at the end of the aforesaid period, I have the honor to state that the work of collecting the fees was managed by means of contract system for the past three years. The realisations from this source during the period are as noted in the margin. The municipal Board of the town was to furnish their opinion in the matter of continuing the levy of the fees or otherwise. They are of opinion that the system should be continued for a further period of three years tentatively.

1909-10.	Rs 1,680.
1910-11.	1,720.
1911-12.	1,650.

2 Out of the income derived from this source, sums as noted in the margin have been spent for constructing zinc roofed stalls in shandy premises with a view to afford convenience to the traders who assemble on sante days, the rest of the income, coupled with the revenue from other items having been utilised for executing works of sanitary improvement in the

1909-10.	Rs 478- 8- 6.
1910-11.	481-15-11.
1911-12.	498- 0- 0.

town and also for meeting other establishment etc charges of the municipality.

3 It is reported that it is necessary to run up some more stalls in the sante place. In order to enable the Board to do this and to improve the general resources of the municipality, it is necessary to continue the system of levying the fees. As this is one of the most productive items of revenue to the municipality, they cannot help continuing it. I therefore request that sanction of Government may kindly be obtained to the Boards' proposal to continue the levy for another 3 years.

4 The Vernacular papers on the subject ending with Chitaldrug Sub-Division Assistant Commissioner's yadi No. nil dated the 15th instant giving cover to the Boards' resolution on the subject, are herewith submitted.

5 The sale for the next official year has been already conducted and fetched an amount of Rs 2300. The Government Order in question calls for a report only after the end of the above period of three years, but a report should have been, I think, submitted earlier, nevertheless, in order to enable Government to pass orders in time. This was not done by an oversight, this item having been entered by mistake as a sanctioned item in the estimates and being passed as such by Government.

6 As the contractor has to be put in possession from 1st July, the favor of very early orders is requested.

I have the honor to be,
S i r,
Your most obedient servant,
K Chaudry
Deputy Commissioner
and
President of municipalities,
